# SPONSORSHIP OPPORTUNITIES ⚡ THE THIRD ANNUAL LAW ROCKS CHICAGO

## Law Rocks loves Chicago!

We first toured to Chicago in 2018, but a series of circumstances prevented our return until 2023. It was well worth the wait - the bands were amazing, the fans were great, and Lincoln Hall quickly emerged as a favorite venue. We can't wait to return for the third time, and bring together the Chicago legal community to rock out and give back!

**Our mission** is to promote music education for underprivileged youth and raise funds for local nonprofit organizations by combining the power of music and the generosity of the global legal community.

**We accomplish our mission** through epic battle of the band fundraising concerts in cities across the globe that star legal professionals-turned-rock stars.

Founded in London in 2009, Law Rocks now tours to 28 cities around the world and has raised over \$6 million. Law Rocks gives lawyers the chance to be rock stars for a night while benefitting their favorite nonprofit.

What a great way to give back to the community in a meaningful way."***

**-Perrie M. Weiner, Partner in Charge, Baker McKenzie - Los Angeles Offices**

We give legal professionals a chance to be rockstars for the night while benefiting their favorite local nonprofit. This combination of rocking out plus giving back creates the ideal environment for an unforgettable, epic night. Sponsorship of Law Rocks Chicago offers companies the opportunity to build brand awareness and connect with the local legal community in a fun, fresh way. Through Law Rocks' strong web presence and prominent recognition in-person at the concert, sponsors gain exposure to a highly desirable demographic of successful industry-leading professionals at a charity event that is cool, competitive, and growing each year.
