SPONSORSHIP OPPORTUNITIES ⚡ THE RETURN OF LAW ROCKS BOSTON

Law Rocks is finally back in Boston!

We are thrilled to return to Boston for the first time since 2013, bringing our unique blend of philanthropy and fun to the area legal community. We can't wait to watch Boston legal professionals take the Sinclair stage and rock out for their favorite charities.

Our mission is to promote music education for underprivileged youth and raise funds for local nonprofit organizations by combining the power of music and the generosity of the global legal community.

We accomplish our mission through epic battle of the band fundraising concerts in cities across the globe that star legal professionals-turned-rock stars.

Founded in London in 2009, Law Rocks now tours to 28 cities around the world and has raised over \$6 million. Law Rocks gives lawyers the chance to be rock stars for a night while benefitting their favorite nonprofit.

BRING IT ON, BOSTON!

*"Playing at Law Rocks, literally, has been one of the highlights of my legal career - so much fun!!
What a great way to give back to the community in a meaningful way."*

-Perrie M. Weiner, Partner in Charge, Baker McKenzie - Los Angeles Offices

We give legal professionals a chance to be rockstars for the night while benefiting their favorite local nonprofit. This combination of rocking out plus giving back creates the ideal environment for an unforgettable, epic night. Sponsorship of Law Rocks Boston offers companies the opportunity to build brand awareness and connect with the local legal community in a fun, fresh way. Through Law Rocks' strong web presence and prominent recognition in-person at the concert, sponsors gain exposure to a highly desirable demographic of successful industry-leading professionals at a charity event that is cool, competitive, and growing.
